

Interpretivist Methods in the Digital Age:

Methodology and Epistemology in the Social Sciences

Friday 2nd October 2 - 5:30 pm

After many disaster imposed delays the IMC Network is pleased to announce:

A workshop in collaboration with the School of Sociology and the School of Politics and International Relations, and the Interpretation, Method, Critique Research Cluster, The Australian National University

This workshop aims to explore the intersection between interpretivist/critical methods and digital information and communication technologies.

To be followed by a
research seminar

"Self Calibration in a
digital Society"

Prof Christine Hine,

University of Surrey

Author of (2006)

Virtual Ethnography. Sage

Monday 12th October 6pm
