examples; civic duty, name issues you care about, in remembrance of those that fought (and those that died) for the right to vote (including organizers, activists and journalists), in honor of someone not currently able or eligible to vote, tradition, etc.

When I'm going to vote:

Are you going to vote early before election day? If so what day and what time of day? If you are voting on election day what time are you going to go? What else is happening in your day on election day? Do you have school or work or both? Can you go early and start your day at the polls or will you vote on your way home at the end of the day? Be very specific to list out the date and time that you will be voting and be sure to make it an event on your calendar.
